

## Our Philosophy

Dr. Kilislian and our team at Kawartha Endodontics believe your trust is a gift.

We take patient health and well being seriously in our efforts to build a positive atmosphere and experience. As a skilled and compassionate endodontist, Dr. Kilislian endeavours to provide patients with vital information about procedures in accessible language. Having had seven root canal procedures herself, she is intimately aware of the anxiety some patients may feel when confronted with highly technical or invasive procedures. This informs her approach of mutual understanding and her high level of care.

At Kawartha Endodontics, all personal information is kept confidential and patient autonomy is recognized. All patients are treated with equal effort and skill and are informed of all their options prior to treatment.

**"A PATIENT IN PAIN NEEDS US YESTERDAY NOT TOMORROW."**

425 Water Street  
Suite 200  
Peterborough, ON K9H 3L9

Patient parking is located in the rear of the building. Kindly use the front entrance located on Water Street.

## Meet Dr. Rita Kilislian

Dr. Rita Kilislian has a DMD from Tufts University School of Dental Medicine in Boston, MA, as well as a certificate in endodontics from the same institution, where she has received awards for academic achievement and clinical proficiency.

She has served as a clinical instructor in endodontics at Tufts, and continues lecturing on endodontics at dental conferences.

Passionate about learning and sharing knowledge, Dr. Kilislian has built the area's only dental continuing education facility—a centre for endodontics where dental professionals can improve their skills. She's keen on investing in education and new technology in her practice as well.

Dr. Kilislian is a member of several dental associations and societies including the Royal College of Dental Surgeons of Ontario, the American Association of Endodontists, and the Canadian Academy of Endodontists. She is a past president of the Toronto Central Dental Society and is a member of the Peterborough and District Dental Society.
